

FAST TRACK

Scale of fees for the completion of combined health, safety & fire risk assessments – June 2020

Based on the number of residential units within the building and subject to VAT and our terms and conditions our pricing strategy is as follows:

| Number of units | Fees |
|-----------------|-------|
| 1-25 | £550 |
| 26-100 | £750 |
| 101-340 | £1500 |

The prices are for combined health, safety & fire risk assessments and include an assessment of risk for Legionella, asbestos & slips, trips & falls.

Please contact us for buildings greater than 340 units, to be priced on an individual basis.

All fees are subject to our terms and conditions - available on request.
